## **Unilumin**

## UPADIII 2.6

One, for All

Single person handles all
Concave and convex curve
Hanging and stacking install

## **SPECIFICATIONS**

Panel sizeW500m×H500mm×D86mmPixels per panel )192×192 DotsArea0.25 m²Weight19.84 lbs/panelMaterialDie-casting AluminumPixel density147,456 pixels/m²Brightness1200 nitsProcessing depth16bitsGray scale65536 levels per colorColor281.4 trillionContrast ratio5000:1Viewing angleH: 140°; V:120°Recommended viewing distance≥2.6 MVideo frame rate50/60Hz

Color       281.4 trillion         Contrast ratio       5000:1         Viewing angle       H: 140°; V:120°         Recommended viewing distance       ≥2.6 M
Contrast ratio5000:1Viewing angleH: 140°; V:120°Recommended viewing distance≥2.6 M
Viewing angle       H: 140°; V:120°         Recommended viewing distance       ≥2.6 M
Recommended viewing distance ≥2.6 M
Video frame rate 50/60Hz
Rate refresh 2880Hz
Supply power source 110~220VAC±15%
Power consumption <max> 120W/panel</max>
Power consumption <typical> 40W/panel</typical>
Ingress protection IP30
Operating Temperature/Humidity -10°(~+45°(/10~90%RH
Storage Temperature/Humidity -20°C~+60°C/10~90% RH
Life Span ≥100,000 Hours
Maintenance Rear Access
Rigging form Hanging/Ground Stacking
